Evaluating the Performing Arts – a step by step teaching guide

# Evaluating the Performing Arts

## a step by step teaching guide

A support pack to deliver the Curriculum for Excellence

# Evaluating the Performing Arts

- supports teachers and pupils to appreciate and extend their engagement with a performing arts experience
- provides practical lessons that support teachers in meeting the outcomes of the Curriculum for Excellence and pupils in developing their art criticism skills
- aims to facilitate discussion and debate, explore the creative process behind a performance and empower teachers and pupils to express their opinions confidently through a variety of means
- sparks teachers' and pupils' imaginations and opens the potential for exploring new creative possibilities
- has been developed over a number of years in collaboration with artists, academics teachers and children.
